

# Online Marketplace

## 1. Introduction

- I'm gone to develop marketplace for sell items to sellers.
- It will be great help to Self-employers to sell their products and services.

## 2. Expected List of Features

- Seller register/login
- Seller can list items
- Buyer register/login
- Buyer can order item/return item
- Review section

## 4. References

- Ebay.com
- ikman.lk
